LCAP: Creating Organizational Coherency for Student Achievement

LCFF / LCAP: New Developments

Revised LCAP Templates - January 2015

- At the Nov. SBE meeting revised LCAP templates will be presented
- Revised LCAP Templates will be finished in January
- New templates will now also ask... Did you do what was in your plan. Comparing plans to actual activities and spending
- Why were there changes if any

Evaluation Rubrics - October 2015

- State Board via WestEd is developing LCAP Evaluation Rubrics
- The rubrics will serve as tools to ensure LEAs are able to align resources to implement strategies that result in meaningful student outcomes
- The rubrics will direct attention to areas in need of additional support to meet standards for school district and school site performance and expectation for improvement in each of the state priorities

California Collaborative for Educational Excellence

- CCEE was created as a part of the legislation that established Local Control Funding in 2013
- CCEE created to advise and assist school districts, county superintendents and charter schools in achieving the goals set forth in the LCAPs
- CCEE will contract with organizations to support and improve district leadership, teaching, the ability to meet state priorities and improve outcomes for targeted students
- CCEE has a governing board of 5 members appointed by governor, legislature, SBE president and SPI
- Whittier Union HS District Supt. Sandra Thorstenson appointed
- In May the Riverside County Office of Education approved as the fiscal agent
- CCEE operational by Spring 2015 to begin work related to the 2015–16 LCAP cycle.
